Brochure & Delegate Registration Form

Proudly presented by the STA (WA) & TGA WA

The Sports Turf Association (WA) and the Turf Growers Association of Western Australia are proud to present the **WA Turf Seminar 2019**.

Responding to requests from previous events, this year's seminar has been especially planned to bring the delegates outdoors during much of the day for some practical instruction and demonstration. An array of Trade Expo marquees will also be set up outside representing various turf industry equipment and product suppliers and distributors ready to display their wares and services.

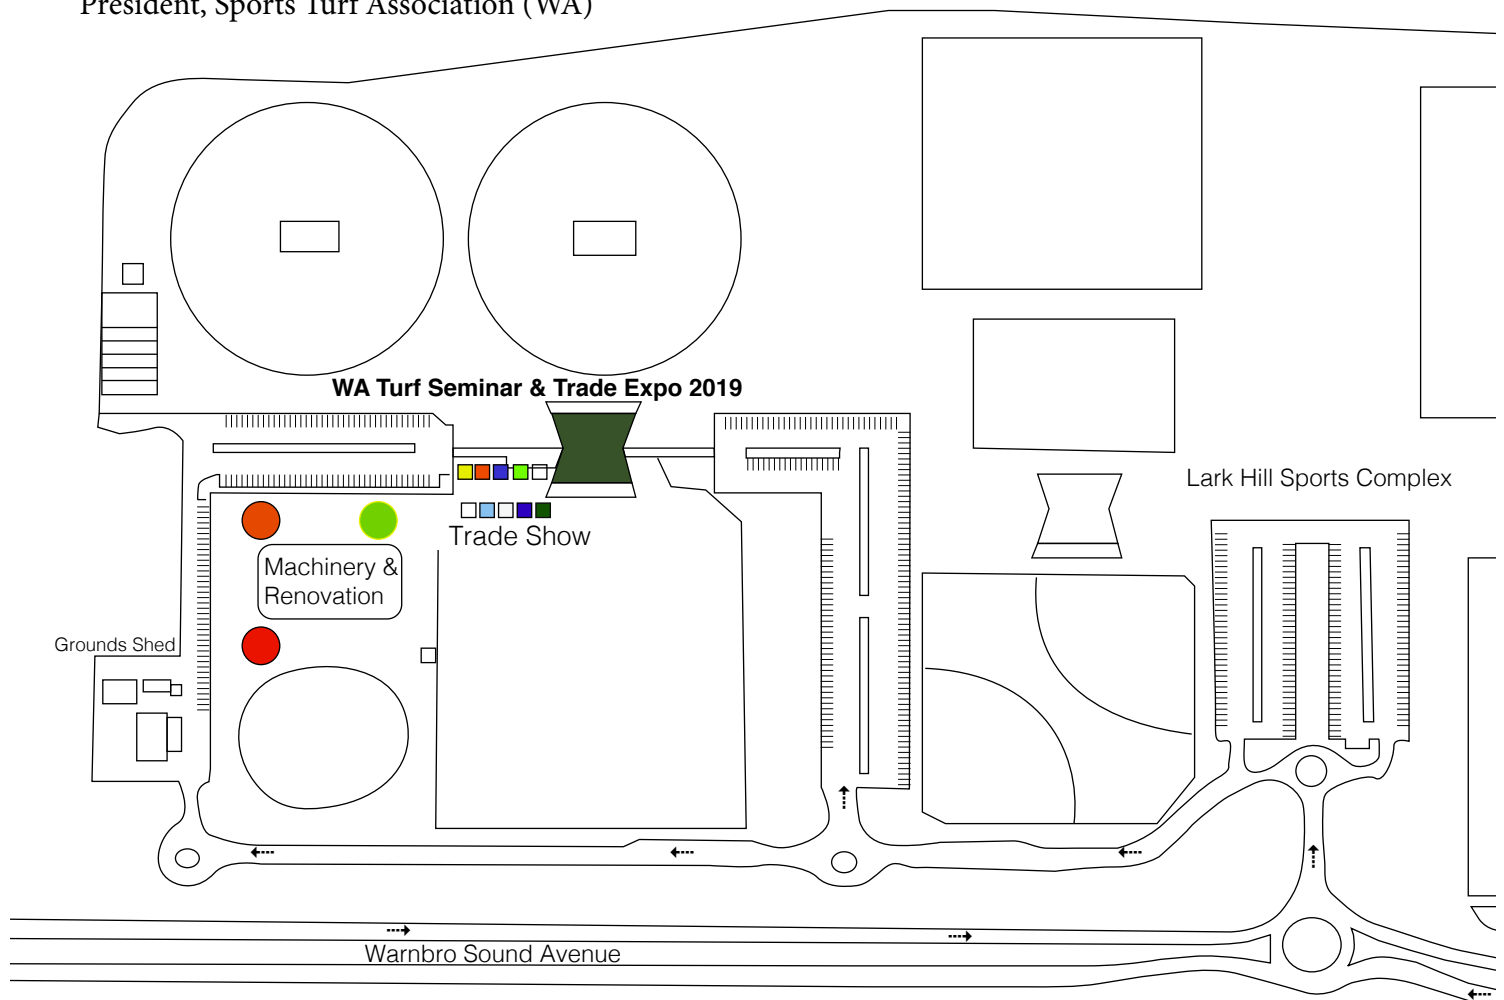

On the larger lawn arena, we will be leading groups of delegates through various educational and instructional Machinery and Renovation sessions. Each presenting company, with guidance by WA Turf Seminar volunteers will have time to demonstrate to the groups the How, What and Why of the equipment, machinery, products and renovation procedure on display. Why choose this specific type of machine? What is the purpose of outfitting the equipment in that configuration? How to achieve differing outcomes from differing machinery or configurations?

Don't miss such an ideal opportunity for direct and uncrowded interaction between delegate and presenter.

Informed choices are better choices! An educated turf industry is a resilient and progressive industry.

I look forward to seeing you there.

Tony Guy,
President, Sports Turf Association (WA)
